

LEARN FINANCIAL STRATEGIES OF THE TOP 1%

Ways to Protect your Family from Taxes and Market Volatility

You and a Guest are cordially invited to attend a COMPLIMENTARY Educational Dinner Event at Shuckers Oyster Bar & Grill. Our events are well attended, so please make your reservation by calling the 800 number below today to secure your seat.

- Uncover ways to protect yourself against market drops **while still growing your money now.**
- Find out why IRAs and 401(k)s might be **potential tax disasters** and cost you thousands.
- Discover how the 4% Rule for **retirement income** might not be a sound strategy for today's retirees.
- Discover how your tax choices **this year might save (or cost) you six figures** in retirement (and how some people may be able to retire 100% tax free!)

The decisions you make today will impact your retirement for decades to come. Join us for a complimentary gourmet dinner and an eye-opening discussion on how to protect your wealth in an unpredictable economy.

- **The 3 Types of Retirement Income** – Which ones provide stability, and which ones put you at risk?
- **Investment Strategies for 2026 and Beyond** – Master the Markets Without the Rollercoaster Feeling.
- **How to Take Advantage of the New Tax Laws**
- **The Hidden Fees Draining Your Portfolio** – Are you unknowingly giving away thousands? Find out how to reduce unnecessary costs.

Reservations are required. Seating may fill up quickly and is limited for each event. If married, spouses are encouraged to attend. Please no children or financial professionals. This is a 55+ event.

LEARN FINANCIAL STRATEGIES OF THE TOP 1%

Ways to Protect your Family from Taxes and Market Volatility

You and a Guest are cordially invited to attend a COMPLIMENTARY Educational Dinner Event at Shuckers Oyster Bar & Grill. Our events are well attended, so please make your reservation by calling the 800 number below today to secure your seat.

- Uncover ways to protect yourself against market drops **while still growing your money now.**
- Find out why IRAs and 401(k)s might be **potential tax disasters** and cost you thousands.
- Discover how the 4% Rule for **retirement income** might not be a sound strategy for today's retirees.
- Discover how your tax choices **this year might save (or cost) you six figures** in retirement (and how some people may be able to retire 100% tax free!)

The decisions you make today will impact your retirement for decades to come. Join us for a complimentary gourmet dinner and an eye-opening discussion on how to protect your wealth in an unpredictable economy.

- **The 3 Types of Retirement Income** – Which ones provide stability, and which ones put you at risk?
- **Investment Strategies for 2026 and Beyond** – Master the Markets Without the Rollercoaster Feeling.
- **How to Take Advantage of the New Tax Laws**
- **The Hidden Fees Draining Your Portfolio** – Are you unknowingly giving away thousands? Find out how to reduce unnecessary costs.

Reservations are required. Seating may fill up quickly and is limited for each event. If married, spouses are encouraged to attend. Please no children or financial professionals. This is a 55+ event.

Ways to Protect your Family from Taxes and Market Volatility

You and a Guest are cordially invited to attend a COMPLIMENTARY Educational Dinner Event at Shuckers Oyster Bar & Grill. Our events are well attended, so please make your reservation by calling the 800 number below today to secure your seat.

- Uncover ways to protect yourself against market drops **while still growing your money now.**
- Find out why IRAs and 401(k)s might be **potential tax disasters** and cost you thousands.
- Discover how the 4% Rule for **retirement income** might not be a sound strategy for today's retirees.
- Discover how your tax choices **this year might save (or cost) you six figures** in retirement (and how some people may be able to retire 100% tax free!)

The decisions you make today will impact your retirement for decades to come. Join us for a complimentary gourmet dinner and an eye-opening discussion on how to protect your wealth in an unpredictable economy.
